APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the manner of use of the waters of an underground source as heretofore granted under Permit 35236 is issued subject to the terms and conditions imposed in said Permit 35236 and with the understanding that no other rights on the source will be affected by the change proposed herein. The well shall be equipped with a 2-inch opening for measuring depth to water. If well is flowing, a valve must be installed and maintained to prevent waste. The State retains the right to regulate the use of water herein granted at any and all times but does not take responsibility for the use of the Federal range.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed .000765 cubic feet per second or sufficient water to water 24 head of cattle and horses and 50,000 game birds.

Actual construction work shall begin on or before November 20, 1980

Proof of commencement of work shall be filed before December 20, 1980

Work must be prosecuted with reasonable diligence and be completed on or before November 20, 1981

Proof of completion of work shall be filed before December 20, 1981

Application of water to beneficial use shall be made on or before November 20, 1982

Proof of the application of water to beneficial use shall be filed on or before December 20, 1982
